

AGN. NO. _____

MOTION BY SUPERVISOR YVONNE BRATHWAITE BURKE

MAY 20, 2003

The 2003 California Exposition and State Fair is scheduled for August 15 – September 1 in Sacramento. One of the most popular attractions at the fair is the county exhibits. The County of Los Angeles plans to once again participate in the exhibit this year, showcasing the beautiful new Disney Concert Hall.

In order to participate in the competition, the State Fair requires that the Board of Supervisors pass a resolution designating the person responsible for the exhibit, agreeing to rules of the competition, and indicating where prize money is to be paid.

I, THEREFORE, MOVE that the Board of Supervisors appoint Judy Hammond, director of public affairs, to be responsible for the County's exhibit and to make decisions, requests, and any protests on behalf of the County; and

I FURTHER MOVE that the County of Los Angeles accepts all rules and conditions as stated in the Counties Exhibits Competition Handbook; and

I FURTHER MOVE that any exhibit money awarded by the California Exposition and State Fair will be paid to the County of Los Angeles.
